EDUCATION

Western University

Incoming Fall 2026

Bachelor of Science, Computer Science · Ivey Advanced Entry Opportunity (AEO)

Bayview Secondary School

2022 – 2026

Ontario Secondary School Diploma · Ontario Scholar · International Baccalaureate Diploma

- **GPA: 4.0/4.0** · **AP Calculus BC: 5** · **AP Computer Science A: 5**

EXPERIENCE & LEADERSHIP

President

Fall 2025 – Spring 2026

Future Business Leaders of Canada (FBLC), Bayview Secondary School Chapter

- Advanced through three roles: **Logistics Officer** (2023–2024), **Vice President** (2024–2025), and **President** (Fall 2025–Spring 2026) of a **200+ member chapter**.
- Ran **weekly meetings** and provided **group tutoring** and **one-on-one coaching** for **Coding & Programming** competitors.
- Coordinated the **executive team** across **competition preparation**, **chapter operations**, and member communications.

Shad Fellow

Summer 2025

Shad Canada · Saint Mary's University

- Completed a **one-month intensive STEAM and entrepreneurship program** focused on **collaborative problem-solving**, design, and innovation.

PROJECTS

Portfolio

Next.js · React · TypeScript · CSS · Vercel

- Designed and developed a **responsive personal portfolio** to showcase technical projects, achievements, certifications, and professional links.
- Implemented **component-based pages**, persistent light/dark theming, **structured SEO metadata**, and **optimized images**; **deployed on Vercel**.

Drift

Swift · SwiftUI · Swift Package Manager · macOS · Next.js

- Built a **privacy-first native macOS focus tracker** that **classifies active applications and domain-level browser context** to identify attention drift.
- Developed **SwiftUI** dashboard, history, session, menu-bar, and mini-player experiences for **macOS 14+**, storing **privacy-scrubbed activity locally**.

NEASS Journal

Next.js 14 · TypeScript · Tailwind CSS · Prisma · PostgreSQL · TipTap

- Built and deployed a **responsive personal journal** for Pedrom Basidj with public post pages, date filtering, reading-time estimates, and an **authenticated admin workspace**.
- Implemented **end-to-end content management** with TipTap rich-text editing, image uploads, **post CRUD operations**, **JWT authentication**, and **Prisma-backed persistence**.

IB History Paper 2 Practice

JavaScript · HTML · CSS · Vercel

- Built and deployed an **essay-practice platform** for Bayview Secondary School's IB Class of 2026, organizing **73 past-paper questions** across two HL History topics.
- Implemented topic and likelihood filters, **keyword search**, **random-question generation**, a **50-minute exam timer**, and an essay-outline workspace.

AWARDS

- American Invitational Mathematics Examination (AIME) **Qualifier** — 2024, 2025
- FBLC Canadian National Leadership Conference, Coding & Programming — **1st Place (2025)**; **3rd Place (2024)**
- Hypatia Mathematics Contest — **School Champion (2025)**

CERTIFICATIONS

- [Architecting Solutions on AWS](#) — Amazon Web Services | Issued Aug 2026
- [Building Data Lakes on AWS](#) — Amazon Web Services | Issued Aug 2026
- [Agents and Workflows](#) — OpenAI | Issued Aug 2026
- [Claude on Google Cloud](#) — Anthropic | Issued Aug 2026

SKILLS + INTERESTS

Programming: Java, Python, JavaScript, TypeScript, HTML/CSS

Frameworks: Next.js, React, Tailwind CSS, Node.js

Focus: Full-stack applications, backend systems, product-minded engineering

Spoken Languages: English, Chinese

Interests: Chess, Competitive Programming, Piano (RCM Level 10), Rep Volleyball
